ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

As discussed at the case management conference held via Microsoft Teams on February 20, 2024:

1. By March 1, 2024, the parties shall jointly file a proposed plan for negotiating settlement of remaining individual cases, including how the Court can best help the parties in doing so. The parties may also address the same for resolving systemic issues.

2. By April 2, 2024, Defendant shall substantively respond in writing to Plaintiffs' proposal for resolution of systemic issues.

3. Defendant's objection to discovery on systemic issues is overruled. Plaintiffs have asserted claims for systemic relief. (See Dkt. 133.)

4. Defendant's request for bifurcated discovery of systemic issues is denied. (See Dkt. 133.)

5. Discovery is stayed until June 24, 2024 so that the parties can devote their resources to resolving or narrowing as many cases and issues as possible.

SO ORDERED.
